

Healthcare Assistance

With the support of our donors, we construct and renovate health centers and provide medicine and medical equipments to those in need.

“

Thanks to our projects, we support our brothers and sisters who cope with illnesses.

Health

We construct health centers with the support of our donors in regions where people have limited access to health services.

We deliver medicine and medical equipment to those in need.

► We started cataract operations in **India** and **Nigeria**.

► We opened a Dialysis Center in **Yemen** where 200 people benefit.
► We opened a health center in **Mozambican** where 5000 people benefit.
► The Dialysis Center in **Sierra Leone** established with your donations continues to provide service for 2160 people.
