Reconstruction Projects

We realize projects such as grocery stores, greengrocers, beekeeping, fishing boats, agriculture, cattle-raising, sheep and goat breeding, sewing machines, and help families to stand on their own feet.

Reconstruction

We provide income for those in need and support regional developments thanks to your donations.

We produce projects according to the conditions of the region and support the regional development.

▶ We bought livestocks to contribute to the livelihood of families in need in Kenya.

- ▶ Thanks to our Engine Distribution Project, we distributed engines that are important to the transportation in **Kenya**.
- ► We distributed engines that are important for carrying loads in Azerbaijan.
- ▶ We delivered agricultural materials to those in need in **Kenya**.
